

Enhancement – Copy/Paste setup and link from the application screen.

A new link is now available from the Application screen that will display information that can be sent by email to a client. This is useful for sending appointment times and a set of customizable messages when pre-registration or other methods of creating an application without having the client in-person.

For example, clicking on the new link, opens a new tab/window on your browser:

LargeCorps

Angel Application: 1870

Appointment Date/Time: 12
Gifts picked up (picklist printed at): 7/25/201
App type: An
Adults+Children=Family Size: *

Pickup Location: The Salvation Army
123 Test Address
Large Town, TX 99997

My Pickup Appointment is for: Saturday, December 19, 2020 Appointment Time: 03:00 PM

Thank you for registering for The Salvation Army Angel Tree program. You will need this confirmation ticket at the time of pickup.
You can print or show this ticket from your mobile device at check-in.
Do not arrive more than 30 minutes before your appointment date and time as **you will be asked to leave until your pickup time.**

Due to COVID-19, we will have a different gift pickup process. We will be implementing a Drive-Thru Pickup this year. Please have plenty of fuel in your car as wait times may be long. There will be no public restrooms available. Make sure to have an empty trunk for the volunteers to put your gifts in.

We appreciate your patience and understanding.

If you have questions or concerns please email us at myemailaddress@USS.SalvationArmy.org.

Mi cita de recogida es para: Sábado, Diciembre 19, 2020 Hora de la cita: 03:00 PM

Gracias por registrarse en el programa Angel Tree del Ejército de Salvación. Necesitará este boleto de confirmación en el momento de la recogida.
Puede imprimir o mostrar este boleto desde su dispositivo móvil al momento del check-in.
No llegue más de 30 minutos antes de la fecha y hora de su cita, ya que **se le pedirá que se retire hasta la hora de recogida.**

Debido a COVID-19, tendremos un proceso de recolección de regalos diferente. Implementaremos una camioneta Drive-Thru este año. Tenga suficiente combustible en su automóvil, ya que los tiempos de espera pueden ser largos No habrá baños públicos disponibles. Asegúrese de tener un baúl vacío para que los voluntarios depositen sus regalos.

Apreciamos su paciencia y comprensión.

Si tiene preguntas o inquietudes, envíenos un correo electrónico a myemailaddress@USS.SalvationArmy.org.

You can then highlight the contents (or do: CTRL + A to select all and CTRL + C to copy to clipboard)

Then paste into your email.

The information includes HOH and the application number as well as contact numbers and email address -- to make it easier to send to the client or call them as needed.

The intension is to allow your case workers to interact with the client on your email system.

There is also a new configuration setup page:

The screenshot shows a web interface with a light blue background. At the top left, there is a button labeled 'LargeCorps'. To its right, the page title reads 'Corps Update #1 LargeCorps'. Below the button is a section titled 'Angel Tree Links' containing a list of links: 'Corps Setup Info', 'Corps Setup Info 2', 'Corps Application Types', 'Setup Online Adoption', 'Setup Pre-Registration Messages', 'Setup Copy/Paste Application Messages', and seven 'Validate dropdown' items. To the right of the links is a form for updating the 'LargeCorps' configuration. The form fields include: 'Name:' with a sub-note '(To change Corps Name, Super User can use Corps Rename Screen)'; 'Address:'; 'City: *'; 'State: *'; 'Corps Code: * (Caution if changing, used in ManualID)'; 'Active Status: *'; 'LockOut Changes by Corps Manager: *'; 'Updateallowed: *'; and 'Corps Officer:'. A red arrow points from the 'Setup Copy/Paste Application Messages' link to the 'Name:' field.

That has both English and matching Spanish sections:

LargeCorps

Corps / Unit: Copy/Paste Application Setup LargeCorps

Fill out the below configuration that you want to display when you click on the 'Copy/Paste App for Email'.

This will be used to copy application information in plain text to your clipboard so that you can easily send an email to the client with appointment information and instructions.

Note: There are English and Spanish versions of the form messages.
Each message has two sections, allowing approximately 500 characters for each.
It is ok to leave any message blank, but you should have both English and Spanish text for each message.

To format the text on the Client response screen,
You can add a New line character in your text. Use (exactly)

To make a section of text **Bold**, place (exactly) before the first character and after the last character of the section.
For Example:
Thank you for registering for The Salvation Army Angel Tree program.
You will need this confirmation ticket at pickup time.
Will have a line break between sentences and make one section bold, showing like this:

Thank you for registering for The Salvation Army Angel Tree program.
You will **need this confirmation ticket** at pickup time.
